Dear Members and patrons of the Hills Club. We regret to inform you that as of tomorrow (Monday the 23rd March) the club will be closed as a result of the government measures to tackle the coronavirus issue. We understand that this is a most upsetting situation for all of us at the club. At this present time our main concern is with our staff members who are naturally feeling anxious about the situation. The club will release a further statement as soon as practical in the next day or two. We appreciate your understanding and patience.
