

To Hills District Men's Bowling Club Members

At the 2021 AGM it was agreed by members to extend the tenure of the selectors to June 2023. The reason for this was the change in the bowling year set by Bowls NSW. In the past the male selectors were voted in at the AGM.

The Constitution requires the Club, ie the Board and Management, to hold the elections as determined by the Board. There will be 4 selectors elected by members. If there are 4 or less nominees, a vote will not be required

The Board has resolved that the election for selectors will be held on the week of 22nd to 26th May, 2023.

Any male bowling member may nominate another bowler and this nomination must be seconded. The nomination form must be handed to the General Manager, Melissa Davies, or the Bowls Secretary, Andrew Cover. Nomination forms will be available at reception or the bowls office.

The General Manager will publish a list of candidates as they are received and will include the nominator and seconder.

Voting forms will be available to members from the Bowls Secretary before 22nd May. The completed forms will be kept in a locked container. Only one voting form per member will be allocated, and the Bowls Secretary will keep a record of who has received a form.

The General Manager, along with an independent scrutineer, appointed by the Board, will count the votes and advise members of the results.

The new Selection Panel will commence duties on 1st June, 2023 and finish on 31st May, 2024.
